

# Connecting visitors to your space

*Empower your admins by connecting Envoy and Kisi. This will enable them to grant and revoke access and get insights about your members' behavior and facility usage.*

## Empowering visitors

### Tens of doors in one click

Let members access multiple locations from using the same credentials.

### Hassle-free onboarding

Granting access with Kisi makes your visitors save precious time. They will thank you later.

### Customized experience

Customize access for each visitor so that they feel special.

## An admin's dream

### Streamlined access

Streamline how you give access to people visiting your facility and save tons of time.

### One dashboard for all locations

Manage access control for your locations from a centralized dashboard.

### Easy check-in

Use our solution as a check-in point for your customers. You will discover new insights about occupancy and space utilization.
