The unlock experience

Customize access permissions

Create access permissions that are synchronized with your Glofox membership plans and grant extra benefits to the premium accounts.

Unlock methods

Mix and match your unlock methods, and there's no need for keycards or fobs. You can choose the solution that best fits your space, like Kisi's mobile app.

Secure your space

Only allow staff to enter determined areas of your space (e.g., storage room, office).

Empower your admins

Always in sync

Kisi is always in sync with your directory. Every change in plan, cancellation, or new contract will automatically update in our dashboard, without even needing to open it.

One dashboard for all locations

Manage access control for your locations from a centralized dashboard.

Easy check-in

Use our solution as a check-in point for your customers. You will discover new insights about occupancy and space utilization.
