

Coworking On-Demand & Resource Management

On-Demand Access

Hot Desk Booking

Ensure an easy and convenient hot desk booking experience for your members via the Web Members Portal.

Automatic Access Sharing

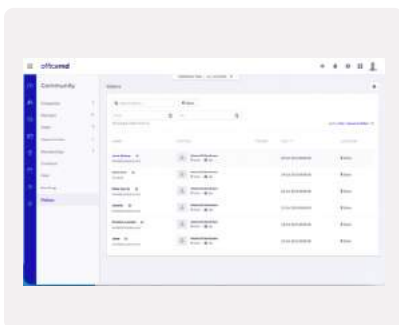

By integrating Kisi with OfficeRnD every new user who booked a seat and paid for it will be shared access for the appropriate time.

Touchless Unlock

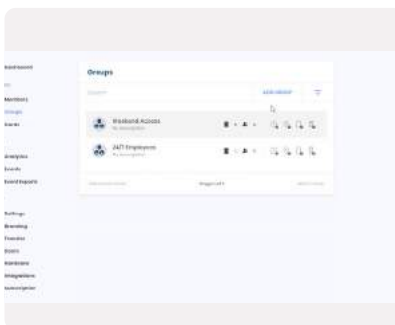

There is no need for your card to touch the Kisi reader - just hold your phone within a safe distance or unlock from within the App.

Resource Planning & Usage Tracking

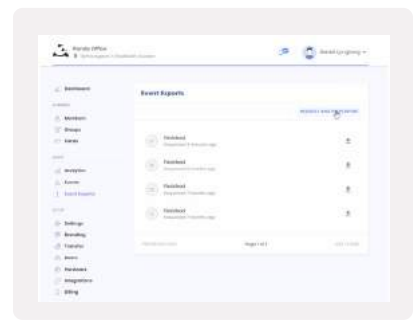

Private Offices Capacity Planning

Allow companies in your space to set their own capacity limitations for their private offices.

Group Access Management

Sync different OfficeRnD memberships to different access groups in Kisi to control maximum occupancy.

Usage Tracking

Keep control of who came that day, including visitors added to OfficeRnD, in case health questions arise.
