

RecDesk & On-Demand Access with Kisi

Key Features

Automate Manual Processes

Automatically record check-ins on RecdDesk when a member accesses a Kisi-secured facility.

Manage Multiple Locations

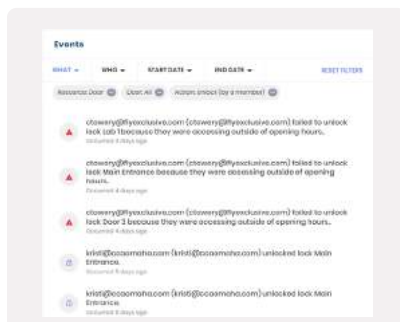

Set access groups for members based on membership type to determine which facilities/doors they can access.

Touchless Unlock

There is no need for your card to touch the Kisi reader - just hold your phone within a safe distance or unlock from within the App.

Space Usage Tracking & Security

Digital Visitor Log

Keep all event logs in one place and get real-time information while you're off site.

Lockdown Feature

Keep your facilities secure--no unlock events can take place when lockdown mode is enabled.
